## ICSEB-Student Award

Congress organizers provide funding to allow young and early career researchers dealing with a subject related to major conference topics (especially Ph.D.-students) to attend the *BioSystematics Berlin 2011*. All successful applicants will be required to give a talk at the conference and submit an abstract for conference volume.

Organizers offer complete release of congress fee, which includes lunch and coffee breaks during all conference days, icebreaker and social evening. Award-winning students will be accommodated in the guesthouse of Botanic garden free of charge. For students from overseas we additionally offer a travel allowance up to 200 €each.

To apply for an award, you should submit:

- A description of your current work on biodiversity or evolutionary topics (maximum one page)
- Abstract of your presentation to be delivered at the Congress
- A list of your postal and email address, your current employment or status, the names and contact details of two referees, and any other relevant information (for example research collaboration)
- Report of your motivation to attend the *BioSystematics Berlin 2011* and financial statement, which should list the total costs (in Euro) of your travel to Berlin

Applications should be sent (preferably via email attachment) to congress office:
